

Digital Marketing Services in India | Digital Marketing Company

Sathya Technosoft

Digital marketing is a type of marketing that promotes products and services through the Internet and online-based digital technologies such as desktop computers, mobile phones, and other digital media and platforms. Its evolution in the 1990s and 2000s transformed how brands and businesses use technology for marketing.

SATHYA Technosoft is a well-known and best [digital marketing company in India](#), offering first-rate services. We are committed to implementing marketing strategies that are solid, efficient, and result in exceptional digital performance. Because majority of consumers never look past the first page of Google Search Results to find what they need, we go above and beyond to improve your website and push it to the top page, allowing visitors to find your business. Non-Internet channels that can provide digital media, such as mainstream tv, smart phones (SMS and MMS), callback and on-hold mobile ring tones, are examples of digital marketing. Digital marketing is distinguished from online advertising by its expansion into non-Internet channels.

As digital platforms became more integrated into marketing plans and daily life, and as people increasingly used digital devices instead of visiting physical stores, [digital marketing agency](#) campaigns became more common, employing a combination of search engine

optimization (SEO), search engine marketing (SEM), content marketing, influencer marketing, content automation, campaign marketing, data-driven marketing, e-commerce marketing, social media marketing, social media marketing automation, and social media marketing automation. **Digital marketing company in India** is expanding.
