

Daughters gave Shoulder to their Mother's Bier (Body Donation)

The Fact Eye: In today's time where people don't even care about their own,

On the other hand, the devotees of Dera Sacha Sauda not only pledged to serve their whole life for mankind but even after death, they do something which let humanity be proud of them.

Setting an example to this:-

A mother (Late Mrs. Nimo Devi) of block bhangidas (Regional Sewadar) of village Jamalpur block Tohana Dist. Fatehabad donated her body after death for medical research purpose and at the same time daughters in the family given shoulders to the mother's bier creating awareness for daughter-son equality in society. Number of devotees of dera sachha sauda were present during the last farewell of Late Mrs. Nimo Devi.

Giving information, Rampal Insan and Tohana Block Bhangidas Narendra told that late Mrs. Nimo Devi was 96 years old from village Jamalpur, who completed her breath and rested herself to the holy feet of almighty.

After this by the inspiration of revered Saint Dr Gurmeet Ram Rahim Singh Ji Insaan her body was donated for medical research purpose with acceptance of whole family.

They further told that her body is donated to the Rama Medical Research Centre Uttar Pradesh for research purpose and it will serve the mankind.

On this occasion a number of devotees, member of Shah Satnam Ji Green 'S' Welfare Force and local villagers were present.
